

Early Education Roundup

Preschool, Pre-Kindergarten, and Kindergarten are truly unique at Bishop Baraga Catholic School. Our little students work and play within their class and age group and also interact daily learning and working with students throughout our school, all the way up to eighth grade! In fact, a favorite activity of some of our older students is to spend their lunch hour eating with and enjoying the company of the Pre-Kindergarten set! Each child in our Early Education program immediately becomes a part of our school family--staff and students alike learn their names and enjoy saying "hello" as they pass in the hallway.

Jennifer Gauthier has twenty years of experience in Early Childhood Development and has been with Bishop Baraga Catholic School for the last eight years teaching our 3 Year Old Preschool and 4 Year Old Pre-Kindergarten programs. She has a kind and relaxed atmosphere where children can be themselves and learn in a supportive environment (one full of laughter, too!).

Emily Flunker is our new Kindergarten teacher and has quickly become beloved by her students and our staff. Children in her class are encouraged to memorize Bible passages and begin learning to read small words, write their names and engage in a classroom setting. Her regular written communication with parents is something we are told they all appreciate.

Drop-In Day –Parents & Student

Thursday, February 22

9-10am; 1-2pm

Parent Information Night

Tuesday, March 6

6:30pm

Drop-In Day –Parents & Student

Tuesday, April 24

9-10am; 1-2pm
